O R D E R:

It has been suggested to the Government that as condition (2) to B.S.O. 24(6) (i) is restricted in its scope, a condition as indicated below will be safer, as it will prevent resumption by Government being shallanged by the alience on the ground that there has been no contravention in fact of the condition, and that consequently, the matter should be decided by a Civil Court.

"The land shall be resumed if in the opinion of the Government, any of the conditions of the grant has been contravened. If any question arises whether there was a contravention of any of the conditions of the grant or not, it shall be referred to the Government and their decision shall be final".

The Government accept the suggestion.

2. The Board of Revenue is requested to issue necessary amendments to condition (2) in B.S.O. 24(6) (i) with reference to the orders in para 1 above.
